

Talk Homework

This half term we are studying Aztecs. This topic focuses on how the Aztecs came to settle where they did; to know the area the Aztecs ruled over and to locate it on a map. You will learn that the Aztecs were essentially warrior people and that they conquered large areas and forced other tribes to give them tributes. Talk to someone at home about the Aztecs and how their existence has impacted on society today.

Spelling

Next week you will be tested on the following spelling words written in a sentence as a dictation:

Spelling Pattern -tion  
nation, operation, relation, situation, translation, imagination, organisation, ambition, position

Maths

- 1 A company orders 800 containers of lollies. It tries to distribute all of these equally among its 17 stores. How many lollies does each store get?

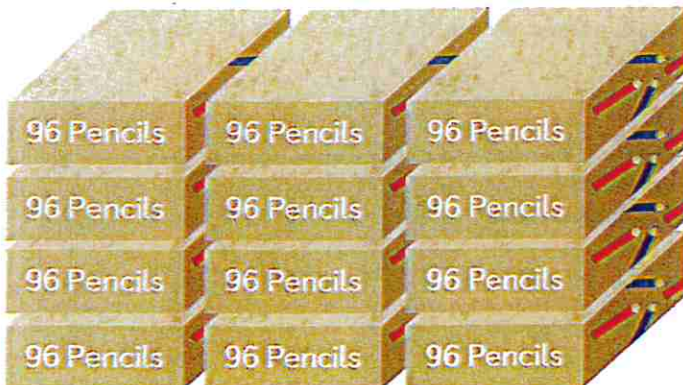

800  $\div$  17 =

$\times$   =

2

Each box of 96 pencils costs £15. The pencils are packed into boxes of 5, which are sold at £1.90 per box. If a store sells all of these boxes, what is its profit?

**English**

Ⓓ Underline the prepositions in these sentences. [4]

Example: *Hayden ran around the field then along the track.*

- 1 The wind blew across the fields and through the trees.
- 2 We lived beyond the town, beside the river.
- 3 Freddie's kite flew above the treetops as he ran over the field.
- 4 The fish swam below the surface of the water and darted under the bridge.

**Helpful Hint**

Remember that a **preposition** explains the position of the noun.

Ⓔ Put commas in the correct places to make these sentences clear. [5]

Example: "Do you want to eat Edward?"

"Do you want to eat, Edward?"

- 1 Each morning I shower eat and get to school by nine.
- 2 Solomon loves drawing playing football and going to the cinema.
- 3 Knitting my family and my tortoise make me happy.
- 4 No skateboarding horses or quad bikes.
- 5 I bought some cabbage cake and coffee today.

A **comma (,)** is used to make sure the meaning in writing is clear.

**Daily Reading**

Remember to read **every day** and record it in your reading record. You must bring your reading record into school daily.

**Topic Project**

Do some research on Aztec art. Look at the colours and the patterns that have been used and think about the influences for the piece of art. Recreate your own Aztec art using similar vibrant colours. Use a different medium if possible. How about using ink or acrylic to create your masterpiece? Maybe you could even use everyday materials such as paper, plastic, mud or plasticine to create your design? Or you could create pavement art using chalks? Or use different coloured clothing to create a huge Aztec art piece that could be viewed from the sky looking down onto your garden? (you would need to take a photograph for the last one!)

**Deadline: Thursday 20<sup>th</sup> December 2018**

Year 6 Maths  
Parental Support Sheet

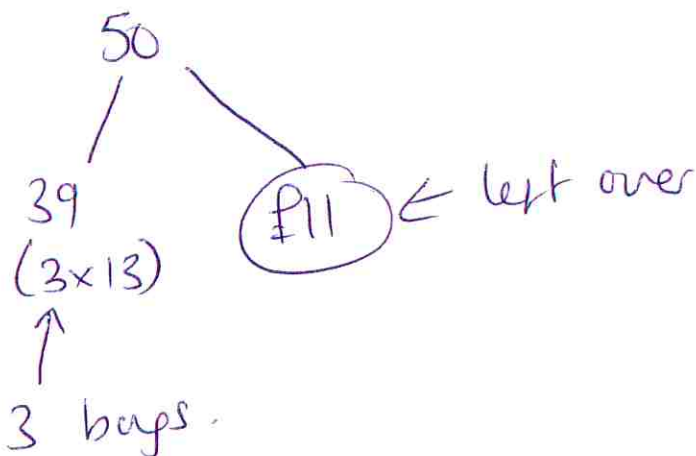

What is the greatest number of mangoes that can be bought with £50? (If 8 mangoes in a bag cost £13)
